JAGUAR LAND GROUP LTD.

CAVALIER LAND

ALLIANCE

Quality Land Services from Start to Finish

MINERAL | SURFACE | TELECOM | TRANSMISSION

Jaguar Land and Cavalier have entered into a strategic alliance to deliver solutions that provide customers with a broader range of land services and increased support for land administration projects.

Through this alliance, customers of both companies will have access to all services available from Jaguar Land and Cavalier. The companies will continue to develop additional value-added services that support oil and gas, telecommunication, wind power and waste management companies in the completion of land administration projects.
